Why should you prepare for the SAT/ACT/PSAT?

College admissions are extremely competitive. When reviewing an applicant, universities use many criteria to decide who to accept and who to deny. In the majority of cases, that means the SAT. Like it or not, your score on this standardized test may determine whether or not you get into the college of your choice.

For a student taking the SAT, there are plenty of tutoring and test prep services available.

Why choose mine?

• **Proven Success**

For close to a decade our score-raising strategies and extensive materials, including a course text and math review, have been tried, tested, and proven to succeed. Because we work exclusively with actual new SAT's, you receive the most accurate training possible.

• **Private Tutoring**

We also offer private tutoring, which provides individualized, self-paced academic instruction in innovative, positive and caring environment.

• **Expert Instruction**

Our dynamic instructors are thoroughly trained to help you prepare for the SAT/ACT/PSAT exams. We'll not only teach you everything you need to know, we'll practice with you in class to make sure you've mastered it.

• **Low Price**

At \$495, Chris Trudeau SAT Prep's SAT program is priced significantly lower than other major SAT preparation programs. We provide more personalized instruction at a much lower cost.

• **Guaranteed Results**

We are confident that we can raise your score. So confident in fact, that if you take the course and aren't completely satisfied, you are welcome to work with us again for free.

• **Over 98% of students increased scores**

• **Recommended by teachers and counselors over nationally advertised programs**

• **More affordable than any major test preparation service**
